

M1 DEC

The Assignment

PhD. M. Laifa

2020 - 2021

Objectives:

→ The goal of this assignment is to apply different techniques learned in previous lessons.

Notes:

- This assignment will be graded as your exam.
- Plagiarism is not accepted, and any two identical copies will result in a grade of 00/20
- Each specialty has a different assigned article.
- The assignment should be submitted before **March 25th, 2021**, via the following email address: english.master.fmi@gmail.com
- A submission after the deadline will not be graded. Respect the deadline.
- Each submission should contain the requested work in addition to the student's detailed information as will be explained in the sample
- A submission without the required information will not be graded
- If you need any other information, don't hesitate to contact me via english.master.fmi@gmail.com
- Check the website frequently for possible updates

The assignment

- Download the following academic article:
<https://arxiv.org/ftp/arxiv/papers/1902/1902.03574.pdf>
- Read it **carefully**, then make a list of **at least 10 words** you didn't know.
- Look the words up, and provide a **brief description** of their meaning.
- Summarize the whole article in **no more than 1 page**, while following the advice provided in **Part 02**.
